SPREAD THE WORD!

CLEARCUT: COMING TO A NEIGHBORHOOD NEAR YOU

Preserving Our Trees

Wednesday, April 26

7:00-9:00 PM

Bruce Museum, Greenwich, CT

The public is invited to participate in a community discussion about protecting trees in our town.

What protections do current laws provide?

Are new laws needed?

Who decides?

How can residents influence the policies that keep our communities greener, healthier, more sustainable places to live and raise a family?

Please join us to hear the experts, followed by a community discussion. Refreshments will be served.

For more information, contact Lori Brown at 860-236-5442
