## DEPARTMENT OF HEALTH

### LABORATORY BLOOD TESTING SERVICES

- Offered by the Greenwich Department of Health Laboratory
- No appointment needed
- Blood is drawn Monday – Friday, 8:00 AM to 12:00 PM and 1:00 PM to 3:00 PM

#### LEAD TESTING (finger stick method)

- This screening service is provided for children 1 to 6 years old. It is appropriate for parents who feel their children may have been exposed to lead (e.g., an old house or home renovation).
- Results are available immediately.
- The fee is \$20.00 per test.

#### CHOLESTEROL TEST (finger stick method)

- This test provides a full lipid profile: total cholesterol, HDL, LDL and triglyceride levels. Also the ratio of total cholesterol to HDL is calculated.
- Fasting is required for this test.
- Results are available immediately.
- The fee is \$43.00 per test.
