# TOWN OF GREENWICH EMPLOYEE RECOGNITION PROGRAM

## 2000 AWARD RECIPIENTS

### *A TRIBUTE TO CAMILLE JACQUIN*

Nearly everyone knows Camille. For 56 years and 8 months, she was our signature employee – the wonderful smiling face behind the counter in the entryway. She was a terrific switchboard operator and handled our conference room control like no one else. And she could always be counted on to have a kind word or a valuable tidbit of information when you needed it most!

What everyone may not know is that Camille retired on August 1<sup>st</sup> of this year. Unlike most of us who know the exact day and hour that we can retire and can't wait, Camille would much prefer to be here with us everyday. The Town Hall was her home and we were all her second family.

Because we want her to know that we miss her as much as we know she misses us, we will be giving Camille a special presentation at this year's annual ceremony for her many, many years of caring and sharing from the front desk.
