Offers concentrated teaching in the fundamental skills of hockey, such as skating forward and backward, stopping, power turns, stick-handling, passing and shooting. Groups are subdivided by ability on the ice to enable each skater to progress at a pace that is comfortable to the child. The Clinic is primarily offered to children ages 6-10, however, exceptions will be made for those children who are older, but who may be just taking up the sport. Time will be reserved for periodic, full ice scrimmages, so that youngsters may try out their newly learned skills in a fun atmosphere. Sessions will be held each **Saturday from October 4 through March 7 from 11:10 am to 12:10 pm**. Players will be divided into smaller groups for instruction. The fee is **\$220** for the season and **\$210** for each additional child in the family enrolled in the program. Equipment required for the Instructional Clinic is: Hockey skates, approved helmet with face shield, hockey stick, collar-type throat protector, and gloves. Full hockey equipment including hockey pants, shin pads, cup, elbow pads and shoulder pads is recommended. **Note: Copy of Birth Certificate must accompany registration for 6 and 7 year old registrants.**

*** GREENWICH NOVICE YOUTH HOCKEY LEAGUE - Activity 31203**

This league plays approximately ten games, with additional skill development and team practice times. There is a large emphasis on skill development in the areas of skating, passing and shooting, as well as work on position play and team work. Playoffs and standings are not included in the Novice Youth League. Each team will have its own coaches assigned. The cost is **\$300** per child, **\$290** for additional family members enrolled in the program. Required equipment includes: Hockey skates, approved helmet with face shield, collar-type throat protector, hockey stick, hockey gloves, cup, shoulder pads, shin and elbow pads. Full hockey equipment including hockey pants is recommended. **This is a non-checking league.** Sessions on Saturday mornings are scheduled for 9:20 am and 10:20 am with weekday practices scheduled in the early evening on Thursdays. The program will start October 4, 2008.

*** GREENWICH SENIOR YOUTH HOCKEY LEAGUE - Activity 31204**

While most players are between the ages of 11-14, league and team placement is entirely at the discretion of the on-ice coaching staff. This league plays approximately 15 games with team practices and "Skill Development" sessions intermixed in the season. Officials, standings and scoreboard will be in use for all

games. Coaches will be assigned to teams for the entire season and will work on previously learned hockey skills while incorporating team philosophy and team play. The cost is \$300 for each child and \$290 for additional family members enrolled in the league. Required equipment includes: Hockey skates, approved helmet with face shield, collar-type throat protector, hockey stick, hockey gloves, cup, shoulder pads, shin pads and elbow pads. Full hockey equipment including hockey pants is recommended. **This is a non-checking league.** Sessions on Saturday mornings are scheduled for 7:00 am and 8:10 am, with weekday practices scheduled in the early evening on Thursdays. The program will start October 4, 2008.

Games are primarily played on Sunday evenings. There will be some practice and skill session times included and there will be playoffs at the end of the season. This is a **NON-CHECKING LEAGUE** and is closed to any boy or girl actively participating on a high school varsity team. The cost is \$300 per child, and \$290 for each additional sibling. A late fee of \$25.00 will be added after November 1, 2008. **FULL equipment required as well as helmet with full cage.** New players are divided as evenly as possible onto teams. A limited number of goalie openings will be filled on a first come, first served basis. **GJHL First Skate is on October 5, 2008 from 5:45 p.m. to 7:00 p.m.**
