

APPENDIX C: Preservation Resources

The following organizations and agencies offer educational, technological and financial resources for preservation efforts in historic landscapes.

Alliance for Historic Landscape Preservation. The Alliance is an organization of professionals dedicated to the preservation and conservation of historic landscapes in all their variety from formal gardens to public parks and rural expanses. The organization provides a forum for communication and exchange among its members.

Alliance for Historic Landscape Preservation
www.ahlp.org

American Association for State and Local History. This national organization provides leadership, service and support for preservation and interpretation of state and local history, making the past more meaningful in American society. The organization's bookstore offers dozens of titles pertaining to historic preservation.

American Association for State and Local History
1717 Church Street
Nashville, TN 37203-2991
(615) 320-3203
www.aaslh.org

American Institute for Conservation of Historic and Artistic Works. The American Institute for Conservation of Historic and Artistic Works (AIC) is the national membership organization of conservation professionals. Its members include conservators, educators, scientists, students, archivists, art historians, and other conservation enthusiasts and it is dedicated to establishing and upholding professional standards, promoting research and publications, providing educational opportunities, and fostering the exchange of knowledge among conservators, allied professionals, and the public.

The American Institute for Conservation of Historic & Artistic Works
1156 15th Street NW, Suite 320
Washington, DC 20005
(202) 452-9545
www.conservation-us.org

City Parks Alliance. The City Parks Alliance is a national organization of city parks leaders throughout the country working together to strengthen America's city parks. Its mission is to create vibrant and healthy parks and green spaces that contribute to sustainable cities by

organizing, facilitation and nurturing a broad-based movement. Activities include forums, a yearly conference, and joint programming with other national parks organizations, including The Trust for Public Land and National Association for Olmsted Parks.

City Parks Alliance
1111 16th Street, NW
Suite 310
Washington, DC 20036
(202) 223-9111
www.cityparksalliance.org

Connecticut Commission on Cultural & Tourism, Historic Preservation & Museum Division. This state agency provides financial support for preservation activities through its Historic Restoration Fund and Cultural Capital Grant Program. It also serves as the State Historic Preservation Office (SHPO) and manages the National Register of Historic Places on the state level.

Connecticut Commission on Cultural & Tourism
Historic Preservation and Museum Division
One Constitution Plaza, Second Floor
Hartford, CT 06103
(860) 256-2800
www.cultureandtourism.org/cct

Connecticut Department of Environmental Protection. This agency of Connecticut state government offers grants and financial assistance for open space acquisition and the advancement of urban forestry.

Connecticut Department of Environmental Protection
79 Elm Street
Hartford, CT 06106-5127
(860) 424-3000
www.ct.gov/dep

Connecticut Forest and Park Association. This private, non-profit organization protects forests, parks, walking trails and open spaces for future generations by connecting people to the land. Activities include trail development and maintenance and environmental education programs, as well as publication of a quarterly journal, Connecticut Woodlands.

Connecticut Forest and Park Association
16 Meriden Road
Rockfall, CT 06481
(860) 346-2372
www.ctwoodlands.org

Connecticut Trust for Historic Preservation. This private, non-profit organization provides grants and technical assistance to preserve historic resources throughout Connecticut. It also advocates before the state legislature for community planning and historic districts.

Connecticut Trust for Historic Preservation
940 Whitney Avenue
Hamden, CT 06517-4002
(203) 562-6312
www.cttrust.org

Cultural Landscape Foundation. The Cultural Landscape Foundation seeks grants, donations and gifts from corporations, individuals, private foundations and government agencies to increase awareness and public benefit for cultural landscapes listed on, or eligible for the National Register of Historic Places. Project support emphasizes interpretation, education, outreach, and public awareness.

Cultural Landscape Foundation
1909 Q Street, NW
Second Floor
Washington, DC 20009
(202) 483-0553
www.tclf.org

National Association of Olmsted Parks. This national member-based organization is dedicated to preserving, maintaining, and restoring historic parks and landscapes throughout North America, focusing primarily on those created by Frederick Law Olmsted and his sons. Activities include advocacy, research, education, and communications.

National Association of Olmsted Parks
1111 16th Street NW, Suite 310
Washington, DC 20036
(202) 223-9113
www.olmsted.org

National Center for Preservation Technology and Training (NCPTT). This arm of the National Park Service awards grants for information management, training and research on technical issues in preservation, with an emphasis on archaeology, historic architecture, historic landscapes, objects and materials conservation, and interpretation.

National Center for Preservation Technology & Training
NSU, 645 University Parkway
Natchitoches, LA 71497
(318) 356-7444

www.ncptt.nps.gov

National Preservation Institute. The National Preservation Institute (NPI) offers specialized information, continuing education, and professional training to those involved in the management, preservation, and stewardship of our cultural heritage.

National Preservation Institute
P. O. Box 1702
Alexandria, VA 22313
(703)765-0100
www.npi.org

National Trust for Historic Preservation. This national organization provides support for consultant services, feasibility studies, public programming, and heritage education activities to help preserve historic and cultural resources.

National Trust for Historic Preservation
Northeast Regional Office
Seven Faneuil Hall Marketplace, 4th Floor
Boston, MA 02109
(617) 523-0885
www.preservationnation.org

PreservationDirectory.com. This web-based organization serves as an on-line resource for historic preservation and cultural resource management throughout the United States. Its annually-updated directory provides listing of historic preservation consultants, products, and organizations, as well as conference listings, and several other resources.

PreservationDirectory.com
7017 North Alma Avenue
Portland, OR 97203
(503) 223-4939
www.preservationdirectory.com

The Trust for Public Land. The Trust for Public Land (TPL) is a national, nonprofit, land conservation organization that conserves land for people to enjoy as parks, community gardens, historic sites, rural lands, and other natural places, ensuring livable communities for generations to come.

The Trust for Public Land - Connecticut Office
101 Whitney Avenue, 2nd Floor
New Haven, CT 06510
