Shake hands with your racket and join the fun. Children will learn the basics through various games and drills. We will work on strokes, form and making sure we have fun! "Balloon Tennis", basketball tennis, and lots of other cool games will be incorporated into the class.

Coach Pat will be teaching his very popular Junior Tennis Class. Pat teaches tennis for the Town of Greenwich, various private clubs, and has worked for the U.S Open. He has taken the latest workshops with the USPTR, which is specifically designed for teaching tennis to children, and he is looking forward to sharing his knowledge and enthusiasm.
