

THE GREENWICH COMMUNITY COMING TOGETHER TO PREVENT UNDERAGE DRINKING

Join us for a program designed for every parent and educator of a "tween"...

CROSSROADS

Which road will your child choose?

- This is the most important time in a child's life for parents to understand what underage drinking means today
- Fairfield County middle school students are drinking at much higher rates than peers regionally and nearly 30% higher than national average.
- Average onset of alcohol use in Fairfield County is 11.7 years old. Too young? We think so.

GINGER KATZ *our Guest Speaker and President of the Courage to Speak Foundation*

www.couragetospeak.org

will give parents and children the tools to speak out about fears, expectations, questions, creating an opportunity for discussion, discovery and prevention.

Date - Wednesday evening - April 4, 2007

Time - 7:00 PM Presentation, 8:00 PM Q&A and refreshments

Sponsored by:

Greenwich Coalition to Combat Underage Drinking

Greenwich United Way and Greenwich Police Department
