FOR IMMEDIATE RELEASE
January 14, 2009

On Thursday January 8, 2009 at approximately 1130 hours the Greenwich Police Department responded to 263 Mill Street in the Byram section of Greenwich, on the report of a robbery in progress.

The preliminary investigation revealed that the robbery was actually a burglary in progress that had been interrupted by the resident of the apartment.

The perpetrators allegedly entered the apartment through a bedroom window, ransacking the apartment. Upon being confronted by the resident of the apartment, one of the perpetrators gestured by his actions that he was in possession of a handgun in his jacket pocket.

The perpetrators then tied-up the resident prior to leaving the apartment. The resident was able to free himself from the restraints and pursue the perpetrators onto Henry Street. He confronted them and a physical altercation occurred with a hammer being swung at the resident by one of the perpetrators. The resident did not suffer any injuries.

The two (2) Hispanic male perpetrators are described as follows;

Subject #1-

Hispanic male, skinny, light skinned complexion, wearing a dark colored jacket, light colored hooded sweatshirt, blue jean pants, unknown type hat, light colored strap across his chest, and light colored footwear.

Subject #2-

Hispanic male, Heavy-set, medium skinned complexion, wearing dark colored jacket, a blue medium length shirt with white writing on front, blue jeans, unknown tight hat, and colored footwear.

Perpetrators removed personal property, cash, and electronic equipment.

The Greenwich Police Department is seeking the assistance of the community in solving this crime, and is asking if anyone was in the area of Mill Street during this crime, especially an unidentified Good Samaritan who helped the victim, to come forward and contact the Criminal Investigations Division, Detectives Anthony Fiscella or Timothy Powell at 203-622-8054.

As always, all calls will be kept confidential.

The department will be increasing patrols in the Byram area.
