FOR IMMEDIATE RELEASE
January 14, 2008

At approximately 11:25 A.M., the Greenwich Police Department Communication Center received a call from a local resident reporting a male subject lying in the roadway on Sterling Road, a private road located in northwestern section of town. The first arriving patrol officer found the subject to be deceased from apparent gunshot wounds. The crime scene was secured and the area was checked for witnesses and/or suspects. No suspects were located.

The victim is an adult male with dark complexion and is not identified at this point.

The Criminal Investigations Division is handling the matter as a homicide and is working with the State's Attorney in Stamford and the State Medical Examiner's Office in Farmington.

Chief David C. Ridberg said, "Based on the initial investigation, the victim appears to have been specifically targeted. This was not a random act of violence."

The investigation is still in its preliminary stages. Investigators are pursuing leads, but it would not be prudent to release any more information at this point. Further information will be released in a timely fashion.

Any persons having information on this incident are urged to call the Criminal Investigations Division at 203-622-8054 or Detective Charles Brown at 203-622-8085.

All calls will be kept confidential.
